THE CLAIMING OF SLEEPING BEAUTY is one of the best selling books in our store. If you have not read it yet, you should. It makes no distinction between gay sex and non-gay sex -- everything is simply sexual. We still have many copies in stock, paperback, 6.95. And now...

Beauty's Punishment

by A. N. Roquelaure

The sequel to *The Claiming of Sleeping Beauty*, this is "an erotic novel of discipline, love and surrender, for the enjoyment of men and women."

In this sequel to the author's earlier erotic classic *The Claiming of Sleeping Beauty*, the young and vulnerable heroine is punished (as predicted at the end of the first story) by being sent outside the Castle to serve a year in bondage to the villagers. Here Beauty's tormentors (and pleasure givers!) are coarse, lowly peasants, unlike the elegant court members of the first book. But, like the earlier volume, there is no real harm to the slaves; this is sadomasochism with a delicious emphasis on pleasure. Nor is there any sexism here, as men and women share equally in the fun and games. A perfect book for lovers of literate eroticism.

A. N. Roquelaure is the *nom de plume* for a famous author whose identity must remain a well-kept secret.

Chunks

An Intimate Look at Some Very Available Men
by Patty Brown and Anna Sequoia

A book that separates the men from the pretty boys: a hilarious take-off on the current bumper crop of male pin-up books.

What are chunks? Chunks, quite simply, are non-hunks. Chunks do not look like Richard Gere, though they may think they do, and they don't model bikini underwear (at least people wish they wouldn't.) Chunks can be chunky, but they don't have to be. Chunks have three main advantages over hunks: they are heterosexual, they are plentiful, and they are usually available. *Chunks* spotlights, in scores of brilliantly funny photographs and intimate, juicy profiles twelve very ordinary guys—wimps, nerds, dumb, aging jocks, and more—all knocking themselves out trying to look like their favorite stud. You'll see chunks on the job, chunks on the go, and chunks on the make.

HOMOSEXUALITY IN RENAISSANCE ENGLAND

Alan Bray

A pioneering work of original research, based on contemporary records, showing the transition from homosexuality being viewed as a particular form of sinful behavior to a specifically gay identity. Illustrated with previously unpublished 17th-century woodcuts.

"A splendid piece of scholarship," writes *The Advocate*. "Bray's study is constructed on the premise that homosexuality is not an unvarying behavioral form but is composed of constantly evolving social patterns and relationships. The changing manifestations, Bray explains, are a potent force in altering attitudes and reactions of the public and of officialdom."

PAEDOPHILIA: The Radical Case Tom O'Carroll

O'Carroll, a founder of the Paedophile Information Exchange (PIE) in England, here presents the most thorough look ever at the controversial subject of sex between adults and children.

"A carefully thought out and well-written book. For anyone willing to keep an open mind on the subject, it cannot be recommended too highly. It is both passionate and calmly reasoned, the best on its topic." — Hubert Kennedy, in *The Advocate*.

THE AGE TABOO: Gay male sexuality, power and consent edited by Daniel Tsang

Here are a number of perspectives on the controversial issue of man/boy love. The writers raise such broad-reaching questions as: What constitutes true "consent"? When does the "protection" of young people (or any other group) turn into their oppression? How do power differences affect personal relationships? It rapidly becomes clear from these essays that an understanding of the pedophilia issue helps shed light on a great many aspects of human sexuality.

ONE TEENAGER IN TEN:

Writings by Gay & Lesbian Youth
edited by Ann Heron

120 pp, 5 1/2 x 8 1/2, perfectbound,
\$3.95, ISBN 0-932870-26-0

According to the Kinsey Institute, one teenager in ten is gay or lesbian. The publishers of *Young, Gay and Proud* have assembled the true stories of 28 young men and women (eleven women and seventeen men) in this new volume so they can relate their own experiences: of discovering their gay feelings, of deciding whether to share their secret with friends and parents, of coming to terms with being different. *One Teenager in Ten* will help both teenagers and adults to understand a major issue that they have confronted or that they may never before have thought about.

WHAT DILLINGER MEANT TO ME
by Robert Peters

126 pp, 5 1/2 x 8 1/2, perfectbound,
\$5.95, ISBN 0-933322-09-7
This, his eighteenth book of poetry, culls Peters' most autobiographical works from early volumes, and is graced by many new poems written especially for it. But, more than a gathering, *What Dillinger Meant to Me* is a regripping of Peters' childhood in rural Wisconsin: a slice of life of a vanished world, of a boy's first grapplings with the nature of family, companionship, death, religion and sex. Above all looms the figure of John Dillinger—the arch gangster of the American Thirties—whose presence in Peters' young life becomes more than a symbol, becomes almost a Grail as the poet comes to terms with his volcanic same-sexuality.

CHINA HOUSE

by Vincent Lardo

204 pp, 5 1/2 x 8 1/2, perfectbound,
\$4.95, ISBN 0-932870-30-9

What next? A gay gothic, complete with an elegant New England mansion with a past. Something happened there twenty years ago, something so horrible that those who remember keep it secret. Now Scott Evans, haunted by childhood memories of the house, has inherited the estate and its secrets. Scott and his handsome lover Michael soon discover that in China House anything can happen. This suspense-filled story will keep readers riveted to the page. *China House* has romance, intrigue, a young heir obsessed by the death of his twin brother, and a father-son relationship that's closer than most.

INTIMATE JOURNALS

by Charles Baudelaire

translated by Christopher Isherwood
120 pp, drawings, 5 1/2 x 8, perfectbound, \$4.95, ISBN 0-87286-146-5

Edgar Allan Poe suggested that any man who dared write a book with complete frankness would produce a masterpiece. Baudelaire began such a book—*My Heart Laid Bare*, a passionately honest investigation of his secret thoughts and inclinations. That text, along with other fragments, literary notes, drawings, aphorisms, drafts of prose poems, and observations on politics, personalities, morals and fashions of nineteenth century Paris, makes up these *Intimate Journals*.

"What kind of man wrote this book? A deeply religious man, whose blasphemies horrified the orthodox. An ex-dandy who dressed like a condemned convict. . . . An aristocrat, who loathed the ruling class. A minority of one. A great lyric poet."—Christopher Isherwood

DEATH TRICK

by Richard Stevenson

204 pp, 5 1/2 x 8 1/2, perfectbound,
\$5.95, ISBN 0-932870-27-9

When a sensational gay murder hits the headlines in Albany, New York, the prime suspect turns out to be a young gay activist who has disappeared. His socially prominent parents call in Don Strachey, a private eye in the classic tradition—with a difference. Strachey is a low-key but cocky detective known for getting results when the police can't, and for his connections in the gay community—his community.

EDITED BY STEPHEN COOTE

(A)

The Penguin Book of Homosexual Verse

Edited by Stephen Coote

From the ancient Greeks to modern writers, a wide selection of verse on homosexual subjects.

Here are verses lyrical, cynical, and humorous from poets such as Sappho and Theocritus; Marlowe and Shakespeare; Byron, Whitman, and Wilde; Auden, Isherwood, and the modern feminists. Love poems, satires, poems of anger and exaltation—these voices span the entire spectrum of homosexual experience.

Stephen Coote edited *The Vicar of Wakefield* for the Penguin English Library.

ALL-AMERICAN BOYS

Frank Mosca

Neil is interested in karate and raising pigeons. He's also interested in other guys, but he's never admitted it to a soul nor done anything about it. The summer that Paul moves to town, that changes. For a time, theirs is a simple love story. But when high school classes start again in the fall, Neil and Paul find that their love isn't so simple after all.

All-American Boys is a short, readable novel that perfectly captures the voice of its teenage narrator. Technically a Young Adult novel, it will be bought and enjoyed by many gay adults who want to relive their teen years through the eyes of someone who's doing it a little more openly than they did.

THE ALEXANDROS EXPEDITION

Patricia Sitkin

When an old classmate of Evan Talbot is imprisoned by fanatics in the Middle East, Evan and a lifelong friend lay plans for a rescue mission. As the mission progresses, however, things get complicated. Evan's public image as a playboy covers up a great deal of private turmoil about his sexual identity. In *The Alexandros Expedition*, Patricia Sitkin skillfully combines a gay romance and international intrigue into a highly original, captivating and well-crafted novel.

THE BUTTERSCOTCH PRINCE

Richard Hall

Richard Hall wrote this gay murder mystery in the mid-70's. It sold astonishingly well (25,000 copies) despite very little publisher support. Now Hall (who is known to many readers for his years as book review columnist for *The Advocate*) has revised *The Butterscotch Prince* for this new edition, which includes an afterword that details the interesting story of its original publication.

Cord and Ellison meet in a theater. When Ellison is found dead in his apartment, Cord takes it upon himself to find the murderer. The only clue he has involves an unusual sexual device that Ellison had used shortly before his death, and the search for the origins of the device takes Cord through some off-beat encounters.

"This is a neat, tidy thriller of the Agatha Christie variety, with an amateur sleuth and a convoluted plot, lots of local color and the pleasant addition of good sex scenes. . . ."

—George Whitmore

A DIFFERENT LOVE

Clay Larkin

This new book is written very much in the style of the other romances that are so popular today, except that the main characters are gay. Hal, a muscular foundry worker in his early thirties, falls in love quickly when he meets the slim, blond Billy who is eleven years younger. But the small midwestern town where they live makes life uncomfortable for the couple, so they move to San Francisco. This city holds its own problems for couples—the main one being temptation. Hal and Billy soon have to decide whether their love is strong enough to withstand the hurdles that gay life can put in its way.

THE MOVIE LOVER

Richard Friedel

Burton Raider is so elegant that, as a child, he reads *Vogue* in his playpen. As he grows older he develops a passion for two things: old movies, and his friend Roman. Roman is ambivalent about his own feelings, however, which makes life all the more confusing for Burton.

That is only one of several threads that run through this funny, highly unusual coming out story. The cloth edition won wide praise: the *Los Angeles Times* wrote that "the writing is fresh and crisp, the humor often hilarious." *Publishers Weekly* called it "a remarkably fresh, funny and thoroughly engaging novel."

Job's Year

Joseph Hansen

In 1981, world-renowned mystery writer Joseph Hansen startled readers with *A Smile in His Lifetime*, a major novel on homosexual themes that was hailed as "impressively swift and graceful, direct, penetrating, funny" (Leonard Michaels, *New West*). Now Hansen reaches greater depths of humanity and commanding literary skill. *Job's Year* is the moving story of aging actor Oliver Jewett, whose fifty-eighth year strips him like a spiteful god but cannot destroy his wry humor or his ingrained decency. A searching,

often subtly funny novel about a truly good though thoroughly mortal man, *Job's Year* shows us the hazards of being human in an inhuman century, and lays bare the hidden workings of the human heart.

The *Philadelphia Inquirer* has praised Joseph Hansen's "unrelenting honesty"; *The New York Times* calls him "always on the mark in confronting the feelings"; the *Boston Globe* says, "He is a strong, unflinching writer, and everything in his taut prose is real"; and John Gill of *Time Out* (London) writes, "Hansen's dry, wise prose sparks with epiphany."

JOSEPH HANSEN lives in Los Angeles.

"A book I missed until now is EROS IN GREECE by Dr. Tom Horner, who is the author of SEX IN THE BIBLE and the much-praised JONATHAN LOVED DAVID. Described here are the sexual customs not of the ancient but of the modern Greeks, a refreshing change. It's a cultural analysis and source book for those drawn to the Hellenic Eros, a constant over the millenia."

--Richard Hall in the ADVOCATE

"An invaluable book."

--Alan Robinson in STEIN'S NOTES

"It's fun reading."

--Michael Llewellyn in MANDATE

"Tom Horner's EROS IN GREECE is a handsome little
paperback....."

--Ian Young in BODY POLITIC

"Useful for another classic land of homosexuality . . . is
Tom Horner's very readable EROS IN GREECE."

--Wayne Dines in GAY BOOKS BULLETIN

"...an exhaustive, exhilarating, and captivative book
on the contemporary sexual outlooks of all manner of Greek
persons."

--Chris Huizenga in AFTER DARK

Designed for travelers to Greece and all others interested in Greece, Greeks, Greek-Americans, or just plain fun reading. Contains annotated bibliography and a useful list of addresses for travelers.

This attractive little paperback is printed on 60-weight quality paper and has a two-color (red and black) cover. Fits any mass market rack. Because copies are so reasonable, don't let your store be without it. All orders sent insured, insurance paid by the publisher.

A small press book, available only from the above source at the present. If adopted by Bookpeople, your wholesale discount would drop to 40% and you would have to pay the freight. Sex In The Bible-By Tom Horner

MIRROR SCRIBE CARVES SLICE OF BIBLE SEX

By Anne St. Martin

Regular readers of the ATHENS MIRROR know Tom Horner as the writer whose column *Sticks and Stones* appears every Thursday in this newspaper. He writes — with a keen awareness of today's readers — tales of the mythical Greek gods. Sometimes serious, sometimes humorous, his legendary characters manage to breathe a new, fresh life under his guidance.

So it would appear at first glance somewhat incongruous for one so well-versed in myths and legends to use as the subject for his first full-length book, the Bible.

Only at first glance, for Horner is, first and foremost an ordained Episcopal minister who has spent as he puts it, "half my life in schools and the other half either teaching or in the ministry, but mostly teaching."

Receiving his Master of Divinity from the Divinity School of Duke University he entered Columbia University where he took a Ph.D. in the Literature of Religion.

Taught

For a year Horner taught the Bible as literature at the Horace Mann School in Riverdale, New York and then History, Literature, and Religion of the Old Testament for 12 years at the Philadelphia Divinity School.

But it was during his service as chaplain to Episcopal students at Skidmore College that his recently published book came into being and he gave it a title which is at once provocative and timely — *SEX IN THE BIBLE* (Charles E. Tuttle Company; Rutland, Vermont; Tokyo, Japan; \$7.50).

Sex is, curiously enough, mentioned in the Bible — over and over again and the author points out in the Preface, "the Bible is after all, a very sexy book."

The sex scene of today which accounts for much of our modern sensationalism happened centuries ago and the Books of the Bible—Genesis, Job, Proverbs, Psalms—are filled with it and Horner has eradicated each story and in his expert and sensitive handling of the subject has thrown aside the curtain of mystery surrounding sex in the Bible and clothed it in plain, direct, easy to understand language.

Image

"Human sexuality," the author writes, "is not only endorsed but commanded in the very first chapter of the Bible. 'God created man in his own image...male and female he created them.' Then he said to them, 'Be fruitful and multiply and

fill the earth and subdue it...'"

With this beginning, the beginning of man and of woman (and of marriage) Horner proceeds through the Bible as story upon story begins to unfold. Lurid tales of seduction and wife-stealing; homosexuals, venereal diseases, divorce, incest. Themes that turn up week after week

the ending of a suspenseful movie and we would leave it to the reader of the book to learn for himself what the author has to say about this most enticing subject.

It has not been the author's intention to shock the reader. "The purpose of the book," he writes, "is to inform the reader as to the genuin-

REVIEW

Author and MIRROR's columnist Tom Horner.

on our best seller lists. Indeed, many contemporary writers, it would seem, owe their successes to plots they have lifted directly from this best-seller of all times.

Although the wide-margin pages are dotted with Biblical references, this is not an indication of a hodgepodge of unrelated material. There is a flow and a continuity throughout the book which makes it easily read and thoroughly understood. And the references encourage the reader to find for himself the original passages.

Act

In his next to the last chapter, the author writes about the touchiest subject of all, Jesus Christ and sex. To give examples from this chapter would be to commit the same shameless act as giving away

ely human interest that the Bible has in the whole subject of sex. Hopefully it will not turn anyone away from the Bible."

He has, unintentionally perhaps, shown the Bible itself to be an interesting, exciting, suspenseful, skillfully written Book which even today has yet to have a counterpart.

Horner, who first came to Greece in 1968 to study at the American School of Classical Studies, returned once again last November with an "indefinite leave of absence from the ministry."

And I am now working on a book on the comical aspects of the ancient Greeks, plus their zest for life."

Local readers will be able to purchase copies of "Sex In The Bible" in their favorite Athens bookstores.

As If After Sex

Joseph Torchia

A William Abrahams Book

The writer who embarks upon a novel of passion between men runs the risk of ending either as an apologist or a sentimentalist. But Joseph Torchia, like a virtuoso of the high wire, moves fearlessly from first page to last. It's a breathtaking performance. In San Francisco, dreamy and seductive, a passionate love affair begins. Robert hopes he has found with Julian both the love and the serene domestic life he has sought for so long. He depends on Julian to steady and shape his life in the face of the riotous gay enclave that by turns beckons to and batters all those who come within its reach. But to beautiful inscrutable Julian, the passion in the city means something entirely different. He is the emblem of the city, nearly its child; as he feeds on it, adopts its electricity to himself, so too it feeds on him, subsumes his

identity into its own. Who is Julian? What, in the end, does he become? Robert's search for the answers carries him along an ever-darkening path: to the underside of the Castro—at once squalid and shockingly vibrant—where the truths he discovers about Julian and their passion drive themselves into the heart of his being. Once again, as in Joseph Torchia's first novel, *The Kryptonite Kid*, his imagination has taken us into a world he has made his own.

WM. B. EERDMANS PUBLISHING COMPANY SALE

"The book from which further debate about church-state relations should begin."

—George F. Will

"This important book will change the way neighborhood people see the world right and left, public and private religion and secular humanism. It is an excellent survey of America as religiously current during the past twenty years. A large and sympathetic book it stretches the limits."

—Michael Posner

"Whether you agree or disagree with Neuhaus's view of the role of religion in the public square, you cannot help but find his analysis a valuable aid for thinking about such issues."

—Stanley Baucus

"The fullest and clearest survey of the debate about miracles that has yet been written."

MIRACLES AND THE CRITICAL MIND

COLIN BROWN

It has been said that miracles were once the foundation of all apologetics. They then became a crutch, and finally today they are frequently treated as a cross which ages ago was borne in Miracles and the Critical Mind Colin Brown makes a fresh examination of the arguments about the miracles of Jesus and their place in faith today.

COLIN BROWN MIRACLES AND THE CRITICAL MIND

"An invaluable resource for determining the place of miracles in Christianity. Dr. Brown's analysis of nineteen centuries of discussion in a major work of modern biblical scholarship, and a major work of modern biblical scholarship, and a major work of modern biblical scholarship."

GREEK AND HEBREW REFERENCE WORKS

NEW INTL. DICTIONARY OF N.T. THEOLOGY
One of the outstanding works of recent years done by evangelical scholars. Second only to Kittel's in scope (a factor often appreciated by the busy student and pastor), this set offers in-depth studies of important N.T. words. Arranged in English word order, making it useful for all students of the Bible. 3 volumes.

HATCH & REDPATH CONCORDANCE TO THE SEPTUAGINT

Scholars and students of Greek know—this is the standard concordance of the Septuagint. Each Greek word in the canonical and apocryphal books is included. With each entry, sufficient context is supplied to show the grammatical construction in which the word is found and the words with which it is ordinarily associated. 3 volumes in 2.

The New International Greek Testament Commentary

Focusing on the needs of theological students and pastors, the contributors to the NIGTC seek to guide readers through the maze of modern biblical scholarship and to offer exegesis which is sensitive to theological themes as well as to the details of the historical, linguistic, textual and critical context. Such thorough exegetical work lies at the heart of these commentaries, with general comments on sections being followed by a detailed verse-by-verse treatment of the text.

Interlinear Bible

The *Interlinear Bible* supplies a literal English translation for each Hebrew word. Its use will allow the novice student to read the Hebrew text without losing valuable time to look up the words in Hebrew lexicons. There is no substitute for a first-hand knowledge of the original text, however, since only a small minority of theological students retain an easy reading comprehension of the Hebrew text. The *Interlinear Bible* is a welcome aid to students and pastors who wish to continue working with the original Hebrew.

"I am enthusiastic about *The Interlinear Bible* for students and pastors, and have been recommending it widely. Almost everyone, at one time or another, can benefit from a reliable, easy-to-follow language aid like this." Dr. Douglas K. Stuart, Associate Professor of Old Testament, Gordon-Conwell Theological Seminary.

Theological Wordbook of the Old Testament

Edited by R. Laird Harris, Gleason L. Archer, and Bruce K. Walke

This extensive, scholarly work includes discussions of every Hebrew word of theological significance in the Old Testament, plus brief definitions of all other words found in Brown, Driver, and Briggs Hebrew Lexicon. There is also a special section of Aramaic words used in the Old Testament.

The articles focus on theological meanings and importance and do not include lengthy, technical, linguistic discussions. The Wordbook does include virtually exhaustive bibliographies of published material relating to the words discussed. There are over 1,400 articles written by 43 Old Testament scholars, plus some 400 subentries giving definitions only. The *WORD BOOK* is keyed to *STRONG'S CONCORDANCE*. 2 Volumes

Linguistic Key to the Greek Testament

A new useful study tool for many students of the N.T. Grammatical identification of the Greek words is given—voice, tense, case and mood. As well, concise definitions of the more important words in each verse of the N.T. are included. Because word meanings are given according to context, readers are better able to understand the original intent of the Scriptures, essential to sound exegesis. One volume—Leatherflex.

Bible Language Reference Works

Especially designed for those who don't know the original Hebrew and Greek, but wish to take advantage of the riches of original language word studies. Also helpful for those students familiar with the biblical languages. Each Hebrew or Greek word is specially coded to the numbering of Strong's Concordance, allowing one to see all the different translations and usages of the original word (in the Hebrew or Greek Concordance volumes), not possible from English concordances like Strong's. Additional help in further defining each word is just as easily located in the lexicons. Previously hidden nuances of meaning are exposed—even for those having no knowledge of the original languages! A huge "run of press" printing is now in stock—immediately available.

Theological Dictionary of the Old Testament

Edited by G. Johannes Botterweck and Helmer Ringgren. This series promises to be as fundamental to O.T. studies as its companion set, "Kittel," has been to the study of the N.T. The Major goal of each study is to present the fundamental concepts intended by the respective words and terms, the traditions in which they occur, and the different nuances of meaning they have in each tradition. The lexical work includes detailed surveys of a word's occurrences, especially in biblical material, but also elsewhere in the ancient Near East. The series is particularly useful for serious exegetical work by students and scholars of the Old Testament. 4 volumes (12 volumes projected).

WUEST'S WORD STUDIES IN THE GREEK N.T.

Designed to give a clear understanding of what the writers of the Gospels and Epistles wished to convey, these volumes provide in non-technical language a wealth of information and explanatory material that will throw a flood of light upon the English Bible. The author, Professor of New Testament Greek at Moody Bible Institute, Chicago, has made a careful translation, taking note of tense meanings which the standard translations do not bring out. Rather than a substitute for the standard translations, the series is intended as a companion, explanatory translation, clarifying many of the English words which do not in themselves equal the total meaning of the Greek words.

Nicoll's Expositor's Greek New Testament

Long recognized as a standard reference work for scholars and pastors as well as the serious Bible student, this five-volume series contains the complete text of the Greek New Testament with grammatical, critical and exegetical notes. Conveniently arranged with the Greek text in clear, easy-to-read type at the top of each page and the notes below for easy access to all pertinent information, the commentary helps the reader to actually examine the original Greek text rather than relying on English translations. Included also are dissertations on significant passages as well as notes on particular grammatical and theological points, and complete introductions to each book of the New Testament with emphasis on the texts, critical landmarks, literature, historical settings, date, authorship, and other relevant matters.

HISTORICAL & THEOLOGICAL REFERENCE WORKS

The Creeds of Christendom

Edited by Philip Schaff

A sound grasp of theology and its history surely requires thorough acquaintance with the creeds confessed by Christian churches through the centuries. Included are the creeds themselves (in both original language and English translation) from the Greek and Latin churches to Lutheran, Reformed and modern Protestant creeds (up 1930). In addition, the most important and fully developed symbolical systems—the Vatican Romanism, the Lutheranism of the Formula of Concord, and the Calvinism of the Westminster standards—have been subjected to a critical analysis. . . . Considered by some as (Schaff's) most valuable contribution to theological literature." 3 volumes.

History of the Church

Hubert Jedin, Editor

From the apostolic to the modern era, the church's history is herein compiled in the most recent work of its size. An outstanding multi-volume work of scholarship. The text is clear, well-organized, and well-translated. It will become the standard history of the Church and is recommended for the public, college, and university library."—Library Journal 10 volumes

THE EARLY CHURCH FATHERS SET

All scholars know that this is the set necessary for any in-depth study of the early church and its theological beliefs. These writings of the church fathers represent the first primary sources of Christian history following the canon of the New Testament. Now regarded as classics, these thirty-eight volumes include the standard English translation of these works, along with brief historical and literary introductions, references and explanatory notes by a number of leading European and American patristic scholars. 38 volumes.

DOGMATIC THEOLOGY

By William G.T. Shedd

Written from an orthodox Christian perspective, Dr. Shedd's three-volume work in conservative systematic theology has been considered a classic since its first publication in 1894. This is a compact description and defense of the basic evangelical tenets of the Christian doctrine. Widely used by both pastors and students in colleges and seminaries. 3 volumes.

BIBLE HISTORY OF THE O.T.

Alfred Edersheim's monumental work—his most significant work, next to *Life and Times of Jesus the Messiah*. A comprehensive treatment of O.T. history—from before the Flood to the decline and captivity of Israel and Judah. Originally published in seven volumes, now complete and unabridged in this one volume. Outstanding.

HODGE'S SYSTEMATIC THEOLOGY

The three-volume *Systematic Theology* is the *magnum opus* of one of the greatest and most influential American theologians. This monumental work, which has become a standard for theological students, was written after Hodge had served for fifty years as professor of didactic theology at Princeton and had made a permanent influence on American Christianity as a teacher, exegete, preacher, church leader, and theologian.

THE WILLIAM RAMSAY LIBRARY

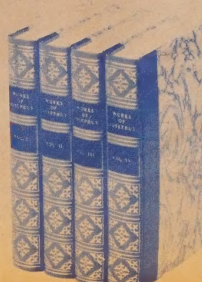

Sir William M. Ramsay (1851-1939), classical scholar and archaeologist, is acknowledged as an outstanding authority on the life of Paul and the history of the early church. He is especially noted for supplying historical background to the life of Paul, establishing the South Galatian destination of Paul's Epistle to the Galatians, and confirming the historical reliability of Lucan writings. The William Ramsay Library consists of the following six volumes, also available individually:

76935	The Teaching of St. Paul	Bp.95	3.95

COMMENTARY AND EXPOSITORY SETS— All at Substantial Savings

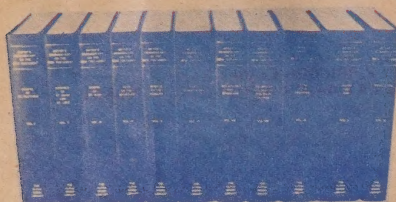

Keil & Delitzsch Old Testament Commentaries

This highly regarded and much referred to set is most likely the best conservative O.T. commentary set around. Some of the best exegesis ever performed in O.T. study has been done by these two German scholars.

SALE PRICE—\$89.50

Heinrich A.W. Meyer's N.T. Commentary

An exegetical masterpiece and a rich mine for the serious student. This work is preeminently exegetical, critical and grammatical. Each chapter is prefaced by a lucid statement of the evidence for and against the various readings of the original text, and the exegesis which follows keeps closely to the grammatical and philological presentation of the writer's thought. "Quite often Meyer is the court of highest appeal on many exegetical problems."—John A. Sproule. "There is no better way of delving into the best of biblical scholarship of the last century than reading Meyer. Generally (if not always) conservative, these volumes also have the advantage of exposing the reader to a comprehensive survey of earlier treatments."—Dr. D.A. Carson. Over 7,000 pages in 11 cloth volumes.

The Minister's 1983 Income Tax

A cassette tape with step-by-step instructions for completing your 1983 Income Tax Form 1040.

Here is help for you. In this 60-minute cassette tape we offer you the information you will need to fill out your 1983 income tax return.

Side One tells you what clergy need to know about their income tax situation. It's a tax planning guide. Side Two describes step-by-step procedures for filling in Form 1040 and all required supporting schedules.

Thousands of clergy have been helped each year by Manfred Holck's popular income tax tape. Now, this year, in this all new tape specifically about 1983 taxes, Manfred Holck again tells you how to compute your tax. He will also tell you all about the new changes in the law that affect clergy.

Here are some of the topics you will learn about—

- how to handle your parsonage or housing allowance.
- how to compute your self-employment social security tax.
- how to report your car allowance and expenses.
- how to report your income and professional expenses on Schedule C or Form 2106 and Schedule A.
- how to estimate your 1984 tax and complete Form 1040ES.
- how to plan your income and taxes for 1984 so you will get the maximum tax advantage from the new rules.

All this and much, much more, all for your 1983 taxes!

We know this tape will save you time, effort and aggravation. It may even save you money, although we can't promise that. But because your tax situation is unique, Manfred Holck will show you those tax savings opportunities available to clergy. Let him make your 1983 income tax preparation less difficult. Order your tape today. Sample tax returns and other printed materials included with each tape. **\$9.90** (Sent first class. Available Jan. 1, 1984)

GAYS UNDER GRACE:

A Gay Christian's Response to the Moral Majority

by Maury Johnston

Hardcover	\$15.95
225 pages 6 x 9	ISBN-0-938232-20-7

The most controversial theological question since . . . "Am I my brother's keeper?"

There is no book on today's market that treats the important issues of the gay and lesbian communities as intelligently, realistically, and logically as this unbiased and highly researched and documented volume presented by Maury Johnston.

Gays Under Grace is a sophisticated pro-gay book, written by a gay to serve the gay community. It treats with great respect both the theological and secular aspects, in the twenty-first-century dimension, of the positiveness and equality of gay Christian life-styles.

Johnston has taken the position that many, until recently, have failed to take—that "being treated as second-class citizens in the church . . . can no longer be tolerated by the gay and lesbian communities." He says that the socially intolerant rhetoric of the Religious Right has created false impressions in its negative approach to the gay rights issue and has thrust these misconceptions into people's perceptions of homosexuality.

This book is meant to be an aggressive attack upon the anti-gay ideology of "Falwellian and Byrantilian" fundamentalism, as well as an objectively critical review of the various life-styles of some gay Christians—life-styles which only tend to give more credence to the extremist accusations that all gays and lesbians are "immoral and perverted."

The gay community must come to its own defense, and Maury Johnston has bridged the gap of culture and time to give society and Christendom this most needed volume.

GAYS UNDER GRACE IS DIFFERENT, NEEDED, AND MUST BE READ FROM THE FIRST PAGE TO THE LAST IN ORDER TO APPRECIATE ITS THOROUGHLY HUMANE AND HUMAN VALUES.

"**Gays Under Grace** provides a new perspective on the theology of homosexuality, both from the standpoint of biblical interpretation and from the standpoint of practical application of biblical teachings to the life of the lesbian and gay communities. . . . It is a book which very much needed to be written, and it is much better that it should come from one within the gay community."

Biographies of Women Artists

Arbus, Doon, and Marvin Israel, eds.: DIANE ARBUS (Aperture Monograph), 1972, \$19.50 pb. Published after Arbus's suicide in 1971. Very much like the retrospective show at the Museum of Modern Art, this book exemplifies her ability to capture the magic in the everyday life around us. She used photography as a precision tool to visualize the essence of her subjects.

Novotny, Ann: ALICE'S WORLD—The Life and Photography of an American Original: Alice Austen, 1866-1952 (Chatham), 1976, 224 pp., \$9.98 (reduced from \$22.50). Alice Austen felt no need to pursue her career as photographer for fame or fortune—unfortunately she did not achieve either. She did capture a world full of spontaneous vitality, from society at play to the immigrant street characters in New York.

O'Neal, Hank: BERNICE ABBOTT: American Photographer (McGraw-Hill), 1982, 255 pp., \$53.95 cl. This is the first major book that brings together the photographer's own selection of what she believes is her finest work. Many of the photographs have never before been published or exhibited. Bernice Abbott is finally receiving the recognition she deserves.

Abbott, Bernice: PHOTOGRAPHS (Horizon), 1970, 175 pp., \$13.95 cl. One hundred fifty-nine photographs, 1920's portraits of lesbians and others, photos of New York and more.

Alland, Alexander, Sr.: JESSIE TARBOX BEALS: FIRST WOMAN NEWS PHOTOGRAPHER (Camera/Graphic), 1978, 187 pp., \$22.50 cl. From 1900 until her death in 1942, Jessie Tarbox Beals contributed her photographs to many of the leading newspapers and magazines of her time. The book is filled with her press cuttings, memorabilia, poetry, and her remarkable portraits.

JEB (Joan E. Biren): EYE TO EYE: Portraits of Lesbians (Glad Hag Books), 1979, 80 pp., \$8.95 pb. A great selection of black and white portraits capturing the wide spectrum of lesbian life.

Ashton, Dore, and Denise Browne Hare: ROSA BONHEUR, A Life and a Legend (Viking), 1981, 206 pp., \$20.00 cl. Bonheur's work is re-evaluated within the context of her time. Examined are not only the artistic but also the social, philosophical, and political elements. She earned disapproval from serious art critics and from those in society who could

not accept her masculine clothing and mannerisms.

Brooks, Romaine: PORTRAITS, TABLEAUX, DESSINS: ROMAINE BROOKS (Arno), 1975, 39 illus., \$9.00 cl. Collection of black and white reproductions of the drawings of Romaine Brooks. Text in French. Please write for availability and price.

Endicott, Marion: EMILY CARR: The Story of an Artist (Women's Press, Canada), 1981, 72 pp., \$9.96 pb. An introduction to the life

and work of Emily Carr, Canadian artist (1863-1945). Illustrated with color plates of her work that reflect a stunning use of color and an exploration of native themes. Contains a timeline, glossary, and selected bibliography.

Shadbolt, Doris: EMILY CARR (Vancouver Art Gallery), 1977 (1971), 96 pp., \$8.95 pb. Celebrates the exhibition commemorating the 100th anniversary of Emily Carr's birth. A popular view of the artist is that she was

simply a west-coast painter of Indian subjects and rain forests, but in fact her work shows a lot of international influences.

Pollock, Griselda: MARY CASSATT (Harper & Row), 119 pp., \$15.25 cl. Pollock examines the reasons for the unjust neglect of one of America's outstanding artistic talents. Despite the tremendous diversity of her sources, Cassatt pursued one theme throughout her career: the depiction of women in all phases of their lives. The most feminist look at Cassatt's life, art, and goals.

Chicago, Judy: THE DINNER PARTY: A Symbol of our Heritage (Doubleday), 1979, 256 pp., \$24.95 cl., \$15.95 pb. The story behind "The Dinner Party," Judy Chicago's monumental work of art—its artistic and feminist aims and the studio process that involved over 250 women and men who realized these goals.

Chicago, Judy, with Susan Hill: EMBROIDERING OUR HERITAGE: The Dinner Party Needlework (Doubleday), 1980, 288 pp., \$15.95 pb. In these beautifully illustrated pages, Chicago continues the saga of "The Dinner Party," which symbolizes the history of women's achievements and women's struggles. Each runner and plate from this monumental work is individually analyzed.

Chicago, Judy: THROUGH THE FLOWER: My Struggles as a Woman Artist (Doubleday), 1982 (1975), 226 pp., \$8.95 pb. Autobiography of one of America's extraordinary woman artists. She discusses her childhood and provides a history of her work and of her teaching. Illustrated.

Cook, Beryl: PRIVATE VIEW OF BERYL COOK (Penguin), 1981, \$6.95 pb. Outrageously funny look at life through the eyes and brush of Beryl Cook.

Cook, Beryl: THE WORKS (Penguin), 1981 (1978), \$5.96 pb. A wonderful selection of humorous painting and writing by Cook. Her work combines wit, humor, and a bit of a naughty image of her life.

JUDITH BY ARTEMESIA GENTILESCHI
(SAPPHO GRAPHICS)

Corrine, Tee: YANTRAS OF WOMANLOVE, photography and text by Jacqueline Lapidus (Naiad), 1982, 61 pp., \$6.95 pb. Seductive multiple images of lesbian lovemaking with accompanying prose poem.

Cunningham, Imogen: IMOGEN: IMOGEN CUNNINGHAM—PHOTOGRAPHS, 1910-1973, (U. Washington Pr.), 1978 (1974, 1976), 110 pp., \$12.50 pb. Published in connection with an exhibition shown at the Henry Art Gallery, University of Washington, March 23-April 26, 1974. Imogen Cunningham took her first photograph in Seattle in 1901. Her career is thus one of the longest in the annals of American photography.

Cunningham, Imogen: IMOGEN: IMOGEN CUNNINGHAM—PHOTOGRAPHS, 1910-1973, intro. by Margery Mann U. Washington Pr.), 1978 (1974, 1976), 110 pp., \$12.50 pb. Published in connection with an exhibition shown at the Henry Art Gallery, University of Washington, March 23-April 26, 1974. Imogen Cunningham took her first photograph in Seattle in 1901. Her career is thus one of the longest in the annals of American photography.

Cunningham, Imogen: AFTER NINETY: Imogen Cunningham (U. Washington Pr.), 1980 (1977, 1979), 112 pp., \$12.50 pb. Incredible portraits of people in their nineties, with accompanying text by Imogen.

DeCock, Liliane: LILIANE DECOCK (Morgan & Morgan), 1973, 48 pp., \$6.95 pb. Fine collection of the work of a new woman photographer. Her work is reminiscent of Ansel Adams and Edward Weston, and is of the same high quality.

DeLempicka, Tamara: THE MAJOR WORKS OF TAMARA DELEMPICKA, 1925-1935 (Idea Books), 1978, 77 pp., 37 color plates, \$11.95 pb. Little is known about this sensualist cubist painter of the 30's, but the work is gorgeous and intriguing. The introduction is by Giancarlo Marmorì. Dutch import—please write for availability and price.

Lippard, Lucy: EVA HESSE (New York U. Pr.), 1976, 250 pp., \$17.95 pb. Hesse, artist and sculptor, was only 34 when she died, yet her work had great influence on the art world of the late 60's and early 70's. Although Hesse died before feminism affected the art world, she was well aware of the manner in which her experience as a woman altered her art and her career.

Herrera, Hayden: FRIDA: A Biography of Frida Kahlo (Harper & Row), 1983, 256 pp., \$19.95 cl. At last, a full biography of the enigmatic Frida Kahlo, whose life was as haunting as the art she created. Her childhood during the Mexican Revolution, her involvement with Communism, failing health throughout her adult life, and her tempestuous marriage to Diego Rivera, have created a tremendous myth around this woman painter.

Schneede, Uwe M., ed.: KAETHE KOLLWITZ: Die Zeichnerin (Kunstverein, Hamburg), 1980, 188 pp., \$15.95 pb. A recent catalog from a comprehensive collection of Kollwitz's work, both the studies and finished works. Many previously unpublished works.

DJUNA BARNES BY BERNICE ABBOTT

German import and text in German, please write for availability and price.

Kollwitz, Kaethe: GRAPHICS, POSTERS DRAWINGS, ed. by Renate Hinz and trans. from German by Rita and Robert Kimber (Pantheon), 1981, 146 pp., \$12.95 pb. Kollwitz's prints and drawings are effective in conveying human suffering and emotions. The book contains 132 reproductions of Kollwitz's work.

Zigrosser, Carl: PRINTS AND DRAWINGS OF KAETHE KOLLWITZ (Dover), 1969 (1951), 85 pp., \$6.00 pb. These works represent the recurrent themes that most characterize the work of Kaethe Kollwitz: social consciousness and a sense of the suffering inherent in the human condition. A dramatic artist, Kollwitz brought to each of her works an uncanny ability to evoke human emotions through subtle gestures and facial expressions.

Kearns, Martha: KAETHE KOLLWITZ: Woman and Artist (Feminist), 1976, 237 pp., \$6.95 pb. The first adult, feminist biography of one of the most powerful printmakers of the 20th century. The author used Kollwitz's own diary and letters in her work.

Lange, Dorothea: DOROTHEA LANGE LOOKS AT THE AMERICAN COUNTRY WOMAN: A Photographic Essay (Amon Carter Museum), 1978 (1967), 71 pp., \$9.95 pb. "These are women of the American soil. They are a hardy stock.... They are not our well-advertised women of beauty and fashion. These women represent a different mode of life. They are of themselves a great American style,"—D. Lange. Dorothea Lange captured these women over a 25-year period in widely separated sections of the country. She wanted to capture the now in these women's lives and how they were affected by the problems in the country and in their lives.

MacAdams, Cynthia: EMERGENCE (Chelsea House), 1977, 120 pp., \$15.00 cl. Cynthia MacAdams feels each woman in *Emergence* has a particular viewpoint and reaction to life that are manifested in their bodies. Each subject was chosen for her strong

positivity and strength, which MacAdams has captured in her portraits.

MacAdams, Cynthia: RISING GODDESS, intro. by Margaretta Mitchell; preface by Kate Millett (Morgan & Morgan), 1982, 128 pp., \$18.95 pb. Beautiful black-and-white photographs of woman strong and self-reliant, without adornment, and in harmony with the natural world. An 18" x 28" poster in black and white is also available for \$10.00.

Peterson, Susan: THE LIVING TRADITION OF MARIA MARTINEZ (Kodansha International), 1981, 300 pp., 195 color, 139 b & w plates, \$20.95 pb. A magnificent look at a legendary woman and her family who have preserved and continued the tradition of native American pottery in contemporary society. Maria Martinez, now in her 90's, is famed for continuing the black pottery of her people. Her career spans 90 years and four generations of her family.

Model, Lisette: LISETTE MODEL, preface by Bernice Abbott (Aperture Monograph), 1979, 112 pp., \$36.00 cl. "I know of no other photographer who has photographed people as inwardly as Lisette Model. Her people are direct targets of an artist's vision."—Bernice Abbott. Model was the teacher of Diane Arbus.

Perry, Gillian: PAULA MODERSOHN-BECKER (Harper & Row), 1979, 149 pp., \$15.95 cl. Paula Modersohn-Becker was the first German painter to assimilate the Post-Impressionist currents of Paris and to forge for herself a very personal expressive style. The artist died at 31 after giving birth to her only child, but in her brief career she produced over 400 paintings and more than 1,000 drawings and graphic works.

Modersohn-Becker, Paula: THE LETTERS AND JOURNALS OF PAULA MODERSOHN-BECKER, tr. and annotated by J. Diane Radycki (Scarecrow), 1980, 344 pp., \$19.95 cl. An early German Expressionist,

who in her short life produced some 1000 drawings and graphic works; over 400 paintings, and very intimate letters and journals. Through these journals we see the conflict in her life—her attempt to fulfill her role as a married woman and to attain what she craved as an artist.

Rey, Jean Dominique: BERTHE MORISOT, tr. by Shirley Jennings (Crown), 1982, 95 pp., \$7.95 cl. A member of the Impressionist movement, though never fully recognized, Berthe Morisot belonged to the best tradition of French painting. The book contains 50 color reproductions as well as 20 in black and white.

O'Keeffe, Georgia: GEORGIA O'KEEFFE (Viking), 1976, 118 pp., \$45.00 cl., \$25.00 pb. "I make this effort because no one else can know how my paintings happen." The text, written by the artist, is accompanied by 108 color plates.

Lisle, Laurie: PORTRAIT OF AN ARTIST: A Biography of Georgia O'Keeffe (Washington Square), 1980, 486 pp., \$4.95 pb. First biography of America's legendary Modernist painter, covering her girlhood to her present seclusion in the New Mexico desert.

Truitt, Anne: DAYBOOK, The Journal of an Artist (Pantheon), 1982, 225 pp., \$14.95 cl. A sensitive, intelligent, and perceptive book that reflects the artist, the woman, the mother, all struggling for understanding of herself and her art. This journal covers seven years of the artist's life.

Warnod, Jeanine: SUZANNE VALADON, tr. by Shirley Jennings (Crown), 1981, 96 pp., \$6.95 cl. Although she was for the most part self-taught, Valadon received some tutoring from Degas and learned stylization from Gauguin. Nevertheless, she remained fiercely independent, ignoring the rules of tradition and never aligning herself with the schools of paintings that developed during her lifetime.

SURVEYS OF WOMEN AND ART (Alphabetical by title)

Rubinstein, Charlotte Streifer: AMERICAN WOMAN ARTIST (Avon), 1982, 570 pp., \$12.95 pb. The first complete story of the lives and art of hundreds of women artists who have enriched our heritage since the beginnings of American history. Illustrated in black and white and color.

Bank, Mirra: ANONYMOUS WAS A WOMAN (St. Martin's), 1979, 128 pp., \$19.95 cl., \$9.95 pb. Traditional American art of the eighteenth and nineteenth centuries is largely the product of anonymous women, wholly occupied with raising children, running farms and homes. Many richly colored reproductions of samplers, paintings, quilts, and needle pictures created as acts of love and duty are reproduced here.

Dewhurst, C. Kurt, Betty MacDowell, and Marsha MacDowell: ARTISTS IN APRONS: Folk Art by American Women (Dutton), 1979, 202 pp., \$7.98 cl. (reduced from \$16.95). This book celebrates the art of women who, with little or no encouragement from their society, developed a rich tradition in American art through their quilts, embroideries, paintings, and drawings.

KATHIE KOLLWITZ FROM KATHIE KOLLWITZ: WOMAN AND ARTIST BY MARTHA KEARNS

Weimann, Jeanne Madeline: THE FAIR WOMEN: The Story of the Woman's Building, World's Columbian Exposition, Chicago, 1893, intro. by Anita Miller (Academy Chicago), 1981, 611 pp., \$14.95 pb. In the Chicago World's Fair were included amazing exhibits of the results of women's activities—in the arts, industry, science, reform and philanthropic work. Most of these were housed in the Woman's Building, administered, designed, and decorated entirely by women. The struggles, politics, and passion behind the Woman's Building are described for the first time in this unique book.

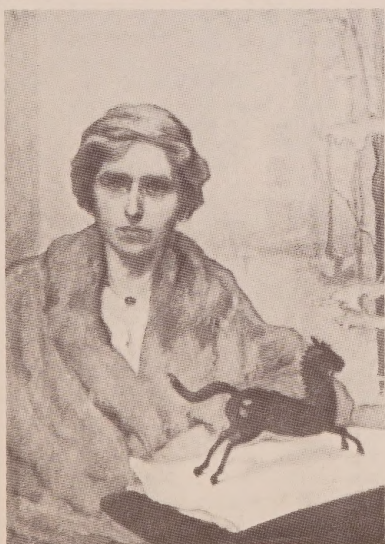

Broude, Norma, and Mary D. Garrard, eds.: FEMINISM AND ART HISTORY: Questioning the Litany (Harper & Row), 1982, 358 pp., 306 illus., \$15.95 pb. A long-needed corrective and alternative view of Western art history and the extent to which it has been distorted, in every major period, by sexual bias.

Joeb, Judy, ed.: FEMINIST COLLAGE: Educating Women in the Visual Arts (Columbia U. Pr.), 1982, \$14.95 cl. Collection of articles includes "Women & Surrealism," "Of Men, Women and Art," "The Significance of What Boys and Girls Choose to Draw," written by many outstanding feminist art critics, among them Linda Nochlin, Lucy Lippard, and Gloria Orenstein.

Lippard, Lucy R.: FROM THE CENTER: Feminist Essays on Women's Art (Dutton), 1976, 314 pp., \$9.50 pb. Thirty essays and many photos delineating the growth of Lippard's feminism and the present status of women's art.

Hayden, Dolores: THE GRAND DOMESTIC REVOLUTION: A History of Feminist Designs for American Homes, Neighborhoods and Cities (MIT Press), 1982 (1981), 367 pp., \$9.95 pb. An unearthed feminist tradition of home design and community planning that has gone unrecognized until this time.

Munsterberg, Hugo: A HISTORY OF WOMEN ARTISTS (Potter), 1977 (1975), 150

MISS NATALIE BARNEY, L'AMAZON BY ROMAINE BROOK (SAPPHO GRAPHICS)

pp., \$12.95 cl. A comprehensive study of women in art. The author describes the contributions of women as painters, potters, illuminators, embroiderers, sculptors, photographers, and graphic artists against the background of their times.

Hedges, Elaine, and Ingrid Wendt: IN HER OWN IMAGE—Women Working in the Arts (Feminist), 1980, 308 pp., \$8.95 pb. Brings together the work of Western women artists, past and present, in a stunning array of forms: poetry, fiction, autobiography, sculpture, painting, photography, and more. We learn about the unique experience of the woman artist, from the viewpoint of the artists themselves, all from diverse national, ethnic, racial, and economic backgrounds.

Swenson, Lynn F., and Sally Swenson: LIVES & WORK: Talks with Women Artists (Scarecrow), 1981, 245 pp., \$14.00 cl.

Greer, Germaine: THE OBSTACLE RACE (Farrar, Straus & Giroux), 1979, 373 pp., \$12.95 pb. Written to bring women artists recognition for their art and their contributions to the arts. Greer discusses the obstacles that were insurmountable in the lives of many talented women.

Munro, Eleanor: ORIGINALS: American Women Artists (Simon & Schuster), 1979, 528 pp., \$12.95 pb. This fascinating book explores the lives and works of such renowned painters and sculptors as O'Keeffe, Krasner, Frankenthaler and Nevelson. Drawing on interviews and her own research, Munro discusses the backgrounds, relationships, early struggles, and later triumphs of these creative personalities.

Parker, Rozsika and Griselda Pollock: OLD MISTRESSES—Women Art and Ideology (Pantheon), 1981, 184 pp., \$10.95 pb. The authors' work searches for and demands a new attitude to the work of artist, female and male, past and present. Parker and Pollock recreate the lost context of the lives of women artists and challenge the writing of art history itself.

Fine, Elsa Honig: WOMEN AND ART: A History of Women Painters and Sculptors from the Renaissance to the 20th Century (Allanheld & Schram), 1980 (1978), 240 pp., \$10.95 pb. *Women and Art* is a survey of women artists' achievements that have been largely neglected or denied until recently. Each chapter opens with an introduction to a period, with particular reference to women's education, status and accepted roles, and to the possibilities open and closed to the woman artist.

Stimpson, Catherine R., Elsa Dixler, Martha J. Nelson, and Kathryn Yatrakis, eds.: WOMEN AND THE AMERICAN CITY (U. Chicago Pr.), 1981, 277 pp., \$5.95 pb. A group of essays that suggests the need for a new urban vision, one of a nonsexist city in which urban design takes into account the overwhelming changes in the pattern of labor and living that have occurred in the past few decades.

Harris, Ann Sutherland, and Linda Nochlin: WOMEN ARTIST, 1550-1950 (Knopf), 1976, 367 pp., \$9.95 pb. This book commemorates

the first international exhibition of art by women, assembled by Los Angeles County Museum of Art. It contains the work of 84 women painters from the Renaissance to the mid-twentieth century, included are works by Kollwitz, Cassatt, O'Keeffe, Brooks, and many others.

Bachman, Donna C., and Sherry Piland: WOMEN ARTIST: An Historical, Contemporary and Feminist Bibliography (Scarecrow), 1978, \$18.00 cl.

Petersen, Karen, and J. J. Wilson: WOMEN ARTIST: Recognition and Reappraisal from the Early Middle Ages to the Twentieth Century (Harper & Row), 1976, 212 pp., \$6.95 pb. A useful supplement to art history books that omit or gloss over most women artists.
